THE COMMUNITY IS VERY UNHAPPY WITH THE DIRECTION ESCONDIDO IS HEADING! We have noticed increasing encampments and individuals who appear to be in need of support, and I'm worried about the safety and well-being of our community. Could you please share (In-person and website) what steps the city is taking to address this issue, and if there are any upcoming plans or resources being considered to provide safer and more sustainable solutions. Also, can you tell the public if Escondido has implemented the Homeless outreach team and if so what are the details of that? Who is the main point of contact? Signed, FRUSTRATED ESCONDIDO RESIDENT!!

I am a resident and homeowner in Escondido since 2021. It is absolutely shameful that this city allows the homeless at this level. We just had a crazy person shooting at the end of November. A little boy was killed by an illegal immigrant four times removed. You have made this city far too lenient to hurt the citizens. Pick a negative, homeless, crazies, crime, the elected officials are not doing the primary functions which is to set policies and make decisions on city wide matters!! This is alleithin the last month. Protect us, please!!!!
