Rough Grading, Precise Grading & Drainage, or Demo Erosion Control Plan Initial Submittal Checklist

Project Name: _____ Date: _____

APN: _____ Address: _____

All items on this checklist and all drawings required for the project must be included in the initial submittal. Incomplete submittals will be rejected by our screen check process and returned for additional information and missing items. If the applicant deems an item to be not applicable to the proposed project, it shall be marked as “Not Applicable” with an explanation. **All submittals must be completed online.** First, create an application at <https://cwols.escondido.org/Portal/>, then upload documents to our ProjectDox software which you will be prompted to create an account through email. Please contact Engineering Services if you have any questions at (760) 839-4651 or at engineeringservices@escondido.gov.

				Official Use Only
